Privacy Policy

Microtemp app/WEB-app

OJ Electronics A/S (“OJ Electronics”) recognizes and respects your privacy. This Privacy Policy applies to the use of any product and service provided by OJ Electronics through an app or WEB-app (the “Application”).

This policy applies to Applications owned or operated by OJ Electronics, and information processed in connection with OJ Electronics’ thermostat products and Applications relating to the same. However, this policy does not apply to any website or other service that may be linked to OJ Electronics or that may be accessed through its Applications. Please refer to the privacy policy provided by these individual websites for information about the information they may collect and how that information may be used.

By downloading, installing or making any use of any Application associated with OJ Electronics’ thermostat products, you acknowledge the terms and conditions expressed in this Privacy Policy.

Information we obtain from your by use of our services. We automatically collect and processes data regarding the operation and performance of our product and service. For collection and processing of personal information please refer to terms and conditions expressed in the Notification form.

Use of cookies. We also use cookies when you access any of our services through an internet browser or application on a computer or mobile device. Cookies identify your browser, but not you, to our servers when you make use of our services. OJ Electronics’ Cookie Policy for WEB-applications is incorporated by reference into this Privacy Policy. For information about how we use cookies please review our Cookie Policy available on the specific WEB-application.

Regulations: To the extent we are required to do so by law, we reserve the right to disclose information about you that we have collected. For example, we may be required to disclose information collected about you in response to a subpoena, court order, or other legal process, or in order to defend our rights against legal liability. We also reserve the right to disclose your personal information where it is necessary to do so in order to investigate, prevent, or take action to prohibit suspected illegal activities.

General Security measures. We will take reasonable technical and organizational security measures, including the use of firewalls and anti-virus software, amongst others, to prevent the loss, misuse or alteration of your personal information. Unfortunately, such security measures cannot prevent all loss, misuse, or alteration of your personal information. Therefore we cannot ensure or warrant the security of any such information, and we are not responsible for any damages or liabilities relating to any such incidents to the fullest extent permitted by law.

Minor Children. We do not knowingly solicit or collect personal information from individuals under the age of 18. Rather, we offer our services and Applications for use by adults. If you are under the age of 18, no information should be submitted through our Application without your parents' or guardians' consent.

Your Choices Regarding Your Personal Information. You may choose what, if any, personal information you provide to us. However, if you choose not to provide certain information your experiences with our product and services may be affected.

Changes To Our Policy. We reserve the right to at our sole discretion to the extend not conflict with applicable law to revise, supplement, replace, and/or otherwise modify the terms of this Privacy Policy and/or impose new or additional rules, policies, terms, or conditions on you from time to time and at any time without specific notice to you. Such updates, revisions, supplements, replacements, modifications, and additional rules, policies, terms, and conditions will be effective immediately upon OJ Electronics posting them on its website or otherwise making them available to you (as the case may be). To assist you, an effective date set forth at the end of this document. Please review this document periodically. Your continued use of the Application means that you accept and agree to the updated or modified Terms and Conditions.
